REFORM

EUROVENTURE

GRINDELWALD, SWITZERLAND

JULY 8 - 13, 2017

CAMP DETAILS

We are very excited about what we expect to be a GREAT WEEK! Euroventure is designed for students who have completed 6th - 12th grades or the European equivalents (ages 12-19 yrs). Euroventure is sponsored by the International Baptist Convention.

Euroventure will help students understand what a relationship with Christ is all about. It will also provide a training ground and next-level experience for students who desire a deeper walk.

This summer we will once again offer some amazing activities during the week of camp, including canyoning, a ropes course and hiking in the gorgeous Swiss Alps. Euroventure is filled with a good balance of spiritual growth, physical activity, fun & games, fellowship, and worship.

We expect students to have the maturity necessary to participate in Euroventure in accordance with the rules you will find in this packet. Please make sure you communicate these to your students clearly and know that we will be depending upon the adult sponsors to see that this happens. Euroventure is going to be fun for your students. However, our greater purpose is to help them grow deeper in their understanding of the grace of God and in their relationship with Jesus Christ!

Please take note that we will be offering a special training time for youth workers & volunteers during the breakout sessions. We are very excited about the opportunity to have youth pastors and lay leaders from all over Europe together for a time to be encouraged, receive training and resources, and connect with other leaders.

This summer our camp speakers will be Tom and Zac Hufty.

Tom is first and foremost a believer in and follower of Jesus Christ. At the age of 17, God captured his attention and Tom gave his life to Jesus. He has an unquenchable thirst for God's Word and a desire to "make Jesus look good" everyday and to everyone he meets.

Tom is husband to Rhonda, dad to Zac and Mackenzie, FIL (Father-In-Law) to Nicole and D.H., and Poppy to granddaughters Emmalyn, Kaylin, Vivian, Pearl, and grandson Jack. To say Tom is passionate about his family would be an understatement.

Tom is currently the senior pastor at First Baptist Church, Maryville, IL. Prior to serving at FBCM, he served in the position of Vice President at Hannibal-LaGrange University, Hannibal, MO.; and, before that, Tom served several churches in the area of student ministry, family ministry, and music ministry. Tom is the author of two daily devotional books, "Time Alone With God," and "180°."

For the past 21 years, Tom and his wife, Rhonda, have served as the U.S. coordinators for the International Baptist Convention

student camp, Euroventure. His "Best Days" are spent with family and dear friends. He enjoys recreational activities such as golfing, skiing, beach walking and mountain climbing. For personal relaxation and enjoyment Tom plays the piano and acoustic guitar.

To hear some of his sermons follow this link: <http://fbmaryville.org/messages-overview/>

Zac gave his life to Christ at the age of 7, following a student camp service. His desire to wholly and completely follow Jesus

and His direction for his life led him into fulltime ministry. Since his early years, Zac has had an insatiable love for God's Word and its impact on both his life and the life of people he serves.

Zac is the husband to Nicole and father to three beautiful girls – Emmalyn, Kaylin, and Vivian.

Zac serves as the Minister of Campus Development at Houston's First Baptist Church—Cypress, TX. His passions are proclaiming God's truth, spending time with his family, reading, sports, and St. Louis Cardinals baseball!

Euroventure has played a major part in Zac's life. He attended as a student and then served as a team leader, track time leader, and camp speaker. Zac met his wife, Nicole, while serving at Euroventure. You can follow Zac on Twitter and Instagram @zachufty

In addition to the father-son duo Tom and Zac, we will have a team of volunteers from Oklahoma Baptist University, Hannibal Lagrange University and churches throughout the U.S. and Europe supplying leadership in the roles of small group leaders, break out session teachers, music and drama leaders.

Euroventure is a unique camp bringing English speaking students together from nations all over the World for a camp that for so many has become a place of spiritual growth, awakening a place that lifelong friendships have been formed right in the heart of Switzerland in the middle of God's Majestic Creation of the Swiss Alps.

The meals and entry to the pool are included in the price of the week.

The Downtown Lodge is a special kind of hostel, which differs clearly from hotels. The Downtown Lodge (DTL) is a village of 5 lodges. Three completely equipped lodges with a total of 185 beds are rented as group houses. In the two other lodges there are a total of 92 beds.

In the heart of Grindelwald the DTL is the right accommodation for groups

of up to 290 persons, just five minutes from the train station and mountain railways.

The Lodge is the best starting point for hiking areas of the breath-taking landscape around the Eiger, Mönch and Jungfrau. Right around the corner, you will find many restaurants and shops.

In the summer there are many things to discover in Grindelwald: hiking, biking, swimming, etc.

The Expectations & Rules

This copy is for you to keep. Please read through the expectations and rules carefully and send the signed IBC Team's copy together with the registration paperwork.

All participants and their parents/guardians must be aware of the expected conduct for Euroventure. Failing to adhere to the following rules could result in the student's early dismissal from Euroventure at the church/parent/guardian's expense.

Your cooperation is vital with over a hundred students and adults involved in a week of activities. We want the best for each participant during this camp. We want EUROVENTURE to be the greatest week of your year. We greatly appreciate YOUR HELPING accomplish this goal by following these rules and making us aware of any special needs.

A quick note to the parents: In the past few years as electronic communication has increased we have noticed more cell phones and ipods at camp. This year we would like to offer a week without the distractions of the electronics. If you need to contact your child, please do so using the numbers provided in this packet. We would like to encourage that they bring as few electronic devices as possible. We will ask the youth leaders to lock up the devices during the week.

2. Students must go straight to their meeting places.
3. Students must be in the bunks and have lights out at the assigned times. Breaking curfew at Euroventure is unacceptable for anyone – including adults.
4. Drugs, alcohol, any form of tobacco, firearms, weapons, or any fireworks are not permitted. Students possessing these at Euroventure will have their parents contacted and will be sent home.
5. Electronic entertainment devices are not allowed to be used during the week. They will be confiscated and NOT returned until the end of the week. If you bring them with your youth leaders approval for travel purposes, we will ask the youth leaders to collect them and lock them up for the week.
